7.2 Best Practices

7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual

Shri Jagannath Sanskrit University is committed to offering substantial scholarships to our Acharya (P.G.) and Shikshashastri - B.Ed. students. These scholarships play a crucial role in ensuring that financial challenges do not hinder their educational pursuits. By providing this financial assistance, we aim to create an inclusive and supportive learning environment that allows our students to focus on their academic and personal development without the burden of financial stress.

2. Cultivating Values among the Students: At Shri Jagannath Sanskrit University, we believe that education goes beyond academic excellence. We place a strong emphasis on instilling ethical values in our students, drawing from the timeless wisdom of ancient Sanskrit literature. Our University actively promotes values such as generosity, social responsibility, equality, and extending a helping hand without discrimination. To foster these virtues, we encourage students to engage in practices like Veda-patha (the practice of Vedic recitation) and the art of recitation through texts such as the Srimad Bhagavad Gita, Geeta Govindam, and Ramayana. These practices not only enhance their understanding of Sanskrit but also imbue them with profound moral and ethical teachings, preparing them to be responsible and compassionate individuals in the society.
